

Germano Family Update

Looking Behind

We made it back to the Dominican Republic safe and sound. We are praising the Lord for His provision for our family during our furlough. We are thankful for the extra time that He gave us as well as for the opportunity to return to the field. Tim had the privilege to preach a few times in some of our supporting churches before we left, and we are thankful for the news of new support from some of the churches that we visited.

We have been able to set up almost everything in the past couple of weeks since we arrived. Thank you for your prayers for us during our transition and our many errands. We are also thankful for protection from Tropical Storm Laura which made landfall in Santo Domingo, the city where we live.

Looking Ahead

Stephanie is excited (we are not sure about Landon and Elena) that school will start for them in just a few days. Tim will also continue his Sunday school class, teach in Resurrection Baptist Seminary for the new semester, and help in the ministry at New Life as we wait to move to Barahona.

Please pray as we continue to acclimate back to life on the field. Our Spanish is a little rusty, but the Lord has helped us in communicating with the people. We are in the midst of our visa process again, and much can be done virtually now due to the pandemic. Pray for us that we would not have any issues in renewing it. Also, please join with us in prayer as Tim will have the opportunity next week to take a trip to Barahona with a fellow missionary and meet some of the pastors from the greater region. Thank you again for your faithful support for our family!

God bless,
The Germanos

Praises:

- God's blessing during our furlough
- Safe arrival to the DR
- Mostly finished with our set up in the country
- Protection from T.S. Laura

Prayer Needs:

- Those affected by T.S. Laura
- Visa
- New Life Baptist Church and ministries
- Upcoming trip to Barahona
