Germano Family Update

Looking Behind

We have now been serving in the Dominican Republic for five years. It is hard to believe that we arrived in the country on October 28, 2015! Tim spoke at a conference for the Haitian churches in the southern region of the DR in September. The Lord blessed the conference as well as gave him an opportunity to begin searching for a house. He has made a number of trips to the city, but we have not been able to secure housing. One good option fell through during the lease negotiations, but we know that God has something better for us. He was also able to meet a pastor of a Baptist church on the other side of the city who has been continuing the work begun by a missionary for the last five years.

Tim filled in for Bro. Autrey during his trip to the States, and he also preached for one of the professors in the seminary in San Cristobal. Many students that have graduated from the seminary or are currently enrolled attend this church. Our family also received our renewed visas, and we are waiting now for our identification cards to finish processing.

Looking Ahead

Lord willing, we will receive our identification cards soon which will better enable us to live and serve in the country. Please continue to pray as we look for housing in Barahona. We are thankful for the Lord's leading and for those who have helped us in this endeavor. Also, please pray as we are preparing for the National Pastors' Christmas outreach that we host every year. This year, they will come and meet at the church here in Santo Domingo on December 5. We are grateful for the opportunity to continue to serve the Lord alongside them here on the island and for all of your prayers and support for our family.

God bless,

The Germanos
