

Germano Family Update

Looking Behind

The most wonderful time of the year can sometimes be the busiest time of the year! We were approved to change our residency visa type, and we will finish the process in the spring. God

blessed the national pastors' Christmas event in a great way. We had one of the best activities to date, and all of the men received a box of food and an offering. We continued to pray for God's leading for housing, but we had about given up hope for this year with Christmas coming. Tim and Bro. Autrey went out one more time to search for housing before the holidays, and the Lord led them to a great option. After much prayer, we signed the contract! It is a large enough house for our family to live comfortable on the second floor via a private staircase outside with the church meeting on the first floor. We will be able to use the rooms for the church as an office and Sunday school classrooms along with a large area in the living room and dining room for the sanctuary. Thank you so much for your prayers! God has something better in store for His work!

Looking Ahead

We have already packed many things, and we will finish up in the next few weeks. We are planning on moving in the month of January. Pray as we set up our household in Barahona and put everything in order here in the capital. Pray as we transition to life and ministry in the new city as well as for opportunities to share the gospel. Also, we are asking for prayer for the final steps of the process in changing our visa so that we can receive identification cards. We trust that you had a Merry Christmas and Happy New Year! We are praying for you as you start this new year that God would give you many more opportunities to serve Him!

God bless,
