

Germano Family Update

Looking Behind

Thank you so much for your prayers for our family as we looked for housing and as we moved to the city of Barahona. We finished all of the preparations for our move, and on January 22, we moved into our new home. We have spent much of the last six weeks setting up our home and the church. We have also met many of the neighbors on our street and begun to build relationships with them. Another highlight from the last two months was the chance to preach in a Haitian church in one of the sugarcane villages about thirty minutes north of Barahona.

Looking Ahead

In just a few days we will host our first Bible study in our home. The house that we are renting is separated into two parts: we live on the second floor and the church is on the first floor. We are making the final preparations in setting up the church for the Bible study which will begin on March 7. Please pray as we reach out into our community through this Bible study as well as through building relationships and evangelism. God has opened a number of doors with those in our neighborhood so far, and we are seeking to visit every house in the area with gospel information and an invitation to the Bible study. Also, continue to pray as we settle into the area and learn more about this city and region in the Dominican Republic. There is a great need for more laborers in the southern region of the Dominican Republic. Please join us in praying that God would send forth more laborers into his harvest.

God bless,
The Germanos
