

# Germano Family Update

## Looking Behind

We are off the ground and running! Thank you so much for your prayers for us as we launched our Bible study. We meet for fellowship time every Sunday morning followed by a time of songs and the Bible message. The group has grown from a few people to a few different families. Tim has been able to clearly share the gospel each week with those in attendance through the book of John, and we have had at least one new person every Sunday come and participate! Please pray that we would be able to reach the lost with the gospel as well as to encourage and challenge the saved in their walk with the Lord. During April, we hosted a few men from the church where we worked in the capitol for a special evangelistic effort in inviting the community to the study. Praise the Lord for the fruit from this outreach. Tim also began recording his podcast that he does in English called "Truth Applied" in Spanish as well. Pray for those who have listened to the gospel given through this means.

## Looking Ahead

We are moving ahead with the Bible study. We will evaluate everything each month in determining when we will transition the Bible study to the organization of the church. Soon, Stephanie will teach the children in a special children's class each week while Tim teaches the adults. In June, we will begin hosting weekly English classes in order to reach out into the community as well as to share the gospel. There has been a lot of interest in English classes, and God has opened the door for us to teach them in the church building. Also, we will host a week long Bible school later in the summer as well. Please join us in praying for these different outreaches as well as the weekly Bible study.

God bless,  
The Germanos
