

Germano Family Update

Looking Behind

Thank you so much for your prayers for our various summer outreaches. Stephanie wrapped up the English classes for the kids in August, and during the final program, we met many of their families and invited them to church. A number of the kids from the classes are now coming every Sunday. Stephanie's class for the children is continuing to grow! Last week, we hosted our Vacation Bible School, and God greatly blessed it. Our attendance doubled by Friday, and after it finished on the last night, five of the children came up to us afterwards and trusted Christ as their Savior! Please pray for them as we help them in their walk with the Lord.

We began our adult English classes in July, and we have a good group participating. We also made a trip to the capitol in August in order to finalize our visas and receive our identification cards. In the Bible study, Tim finished the series on John, and we were encouraged through the response of the people.

Looking Ahead

We are looking forward to our first service for the church, and Tim has begun preparing the people for the church's organization through a series about the church in Acts. He was encouraged after the first week with their interest in Scriptural baptism after salvation. Pray as he teaches them what God expects of the believer and as we speak individually with those attending about their salvation and walk with the Lord. Also, pray for our outreach through the adult English classes. We are seeking to build relationships with those who are not already attending the church and to share Bible verses and truths through the lessons.

God bless,
The Germanos
