

Germano Family Update

Looking Behind

We have so much to be thankful for in seeing what God has done this past year. We held a number of activities in November and December. We hosted a family activity at the church with a clear gospel presentation, and both the youth and the ladies met for a special Christmas gathering. God worked through each of these outreaches. On Sunday, December 4, we celebrated the first anniversary of Iglesia Bautista Dios con Nosotros. We are praising the Lord in looking back on the first year of ministry for the church, and we are greatly encouraged by the spiritual growth and desire of the people to jump in and serve the Lord. Stephanie's class for the children presented a short Christmas program on Sunday, December 18, and the children did a wonderful job quoting Scripture and singing Christmas carols.

Looking Ahead

We are already well into making plans for the coming year. In January, we will hold a special winter kid's activity for our church as well as for the neighborhood. In February, we are planning a special couple's outreach in order to encourage and challenge our families. We also are seeking to help the church in this coming year in their spiritual walk and service to the Lord as they take the next steps in the church planting process.

We want to include a special note thanking all of you who support us as well as for those who sent special Christmas offerings to us this year. Our hearts are humbled by your generosity, and we are excited about what God has in store for 2023 in partnership with you in the gospel.

Merry Christmas,
The Germanos
