

JULY/AUGUST 2023

GERMANO FAMILY

DOMINICAN REPUBLIC

LOOKING BEHIND

We made it safely to the DR on July 25, and we are thankful for an uneventful trip and being able to get everything in order. We jumped right back into the church services and the various outreaches. We are praising the Lord for many first time visitors as well as numerical growth in the church. During August, we held our third VBS here in Barahona. We had a good group of kids as well as fifteen workers from the church who jumped in and helped us in so many ways. The kids enjoyed all of the activities as well as studying the armor of God in Ephesians 6. Last week, we renewed our visas for another year, and we updated our identification cards. While we were in the capitol, we started the process for the registration and incorporation of the church. Please pray as this will aid the church in many financial and legal ways as well as for a smooth process in finishing everything.

LOOKING AHEAD

We have been looking at different properties during the last few weeks, and we are praying about purchasing a place for the future home of the church. During September, we will begin our youth and adult English classes for the semester. Pray for this outreach as we have a chance to share God's Word, to connect with many people, and to give back to our community. We are making plans to restart other church ministries such as ladies' and youth meetings in the coming months. Also, we are asking God to bless during this new school year for Landon and Elena. Landon started fifth grade and Elena started third grade in the last few days of August. We would like to close by asking you to pray also for the ministry here in Barahona. We are fighting a spiritual warfare, but we know that God is able to break down the barriers and reach the hearts of the people.

In Christ,
The Germanos
