LOOKING BEHIND

We are excited to talk about what God is doing here at Iglesia Bautista Dios con Nosotros in Barahona. In September, we saw one of the teenagers attending our church since March come to Christ! She is currently working through a Bible study for new believers with Stephanie and another lady from our church. Just a few weeks ago, Stephanie finished the same study with another lady who was saved in the spring. Both are looking forward to being baptized in November. We are thankful for a strong start in our English classes as well as visitors in the church from these classes. God has used these English outreaches in a great way for us to connect with the people in our city. We hosted a ladies' meeting recently, and one of the faithful ladies taught the lesson for the first time. Also, we held a youth meeting in October, and we had a great group and a clear chance to share the gospel.

LOOKING AHEAD

We are counting down the days until our youth camp in December. The Edge Christian Camp in Virginia is hosting a group to come and minister with us for our second anniversary and to run a youth camp for five days. Please pray as we have been actively planning and promoting this special outreach. In the church, Tim is finishing up going over the doctrinal statement of the church on Wednesdays, and he has been preparing everything to initiate church membership in the next few months. It is encouraging to see the growth among the people in their spiritual walk and in their desire to help the church become established and organized. Please continue to pray for the church's incorporation as we finish the process before the end of the year. Thank you so much for your continued prayers for our family and for the work here in the Dominican Republic!

In Christ,
The Germanos
