## LOOKING BEHIND

We finished 2023 with a lot of exciting things at Iglesia Bautista Dios con Nosotros! In November, we held our third baptismal service, and Tim baptized three ladies from the church. At the end of the month, the group from the Edge Christian Camp came to help us with the youth camp and our Anniversary service. God blessed the 2nd anniversary of the church and throughout the camp. We had a large group of teenagers attend each night as well as some come to trust in Christ as their Savior. We also are rejoicing in fruit from the canvassing efforts with some new families attending the church. Earlier in December, we lost one of our core ladies in the church suddenly, but we are grateful for her salvation testimony and for one of her family members trusting Christ as Savior a few days afterwards. We finished the year celebrating our other special Christmas activities with the church as well as with a special visit from Stephanie's parents for the holidays!

## LOOKING AHEAD

Please pray as we seek to disciple those who trusted Christ as Savior during the past two months and as we move forward for the Lord. We are thankful for all that the Lord did here during 2023, and we are excited about the next steps for the church in 2024. We are in the final stages of the process for incorporating the church. We also would ask that you would pray for us as we are seeking God's will about purchasing property for the church. We are excited about the numerical growth this past year, and we are seeking to prepare ahead as the church grows. In the coming months, we will begin having monthly youth meetings at the church in building on what was done during the youth camp. We will also host another couple's retreat in conjunction with a special family Sunday. Thank you so much for your faithful prayers and support for our family this past year, and we are praying for you in this new year!

In Christ,  
The Germanos
