

GERMANO FAMILY DOMINICAN REPUBLIC

LOOKING BEHIND

As we began another year, we are once again encouraged by God's faithfulness and work in the church in Barahona during 2024. God used the kids' art activity in order to help us reach out into our neighborhood in November. In the same month, we rejoiced to see another soul come to know Christ as Savior. Please pray as she is now taking our discipleship course with Stephanie. On December 1, we celebrated the third anniversary for Iglesia Bautista Dios con Nosotros. We had a great number in attendance and ran out of room very quickly! God used a faithful missionary friend during the message to encourage and to challenge the people in their walk with the Lord. We are challenging the church to move from being a church plant to become a church-planting church. Please continue to pray for us during this process that the church would continue to grow in the Lord and in their understanding of what God expects of them.

LOOKING AHEAD

We recently arrived in the United States for Christmas and to begin a short furlough in January and February. God led a retired pastor to our church last year, and he is filling the pulpit so that we could come and visit some of our supporting churches in North Carolina and Virginia. We wish that we could see everyone, but we are making plans in the future to come back for another short trip to visit those whom we have yet to see. Please pray for the church that they would continue growing in their walk with the Lord and for us as we will be traveling and reporting to many of our churches during the coming weeks. In November, we renewed our lease for another two years, but we are preparing and saving for the future home of the church. We would love for you to join us in praying for wisdom and God's provision. If you would like to know more about the project, please let us know! We want to thank you again for your faithful support for our family in 2024. We are grateful to be laboring together in God's work!

In Christ,
The Germanos

Anniversary Service
