LOOKING BEHIND

During September, we placed a special emphasis on the Bible in our church services for the "Month of the Bible." We studied about what the Bible is and how to apply it in our lives as well as focusing on memorization and book order. It truly is a blessing to study and apply God's Word! In the sugarcane village, Stephanie and I had the opportunity to speak to the women and men respectively during their special conference on being a believer after God's own heart. God worked through the conference, and the church has seen continued fruit. During both September and October, we had a number of new visitors in our teen meetings and in our Sunday services. Please pray as we continue to reach out in our community with the gospel.

LOOKING AHEAD

We are looking forward to our church's anniversary service at the end of November, and we will celebrate what God has done over the past five years! We are asking for prayer for this special day at our church as well as for the members. Many are facing various physical and spiritual trials, but we know that God is faithful. We also appreciate your continued prayers for our family. God has opened a door for us through adoption, and we are in the midst of the process here in the country. Please pray for us as we work through the end of the process and paperwork in finalizing the adoption. We are excited about this wonderful opportunity!
