SEPTEMBER NEWS

Dear Praying Friends,

Husbands and wives may rarely hear their names used in conversation to each other. Usually they are referred to as “Honey” or “Dear” or ... (you fill it in). When referring to His disciples, the Lord occasionally made use of nicknames or terms of endearment. He encouragingly would sometimes refer to them as “little children,” “disciples,” “apostles.” Other times He used terms to describe some of his disciples such as “satan” (meaning adversary) or “sons of thunder.” The most important thing is that Jesus knows us by name (Luke 10:20). But what other terms might He use to describe us and our relationship with Him That is just something to think about.

The Lord has really challenged my heart as of late about telling others about the good news about Jesus. *God is not willing that any should perish but that all would come to repentance.* With that challenge the Lord opened up a door to speak to a parent of a teen who comes to youth group. I spoke to her and her pardoner about their need for Christ. The next day she called me and said that she needed “forgiveness of her sins.” I went and shared the plan of salvation with her again and she trusted the Lord as her Saviour. Please pray for this lady and her family that the Lord would continue to work.

Our permanent residency paperwork should be completed and ready to give to the Australian government within the next month. Thank you for praying already, but please continue to pray that the process will go smoothly and that the Lord’s will be accomplished.

Please pray for a young lady named Melissa. She has been coming along to youth group and church some and knows of her need for Christ. She is the most religious one in her family who all need Christ

Thank you for upholding us through your prayers and financial support.

Sincerely,

Kelly, Becca and Reese Gilliam

“... the harvest truly is plenteous, but the labourers are few; Pray ye the Lord of the harvest, that he will send forth labourers into his harvest.” —

—Matthew 9:37-38
