FEBRUARY NEWS

Dear Praying Friends,

During this present month much attention is often given to the subjects of love and of the heart. Many expressed their affection for loved ones in ways they may not do again for another year. The Bible also speaks of the heart of love that enables the believer to endure hardships (I Peter 1:8) and serve the Lord with gladness (I John 5:3). Is our love for Christ this kind of love?

The year has started with a bang and continues to grow with opportunities to reach out to the lost and to edify believers. Both youth groups are up in numbers with several unsaved and unchurched kids coming along. The Lord has given us several young people who have hearts for the Lord that take interest in the visitors. Our theme for the devotionals in senior youth group is "God can help teenagers too!" Often we think that this age group is hopeless, but it is not because God is alive and well!

Religious Education classes are going well. I teach 7 classes each week and Becca teaches 4 classes. Please pray for us as well as the other RE teachers in our church that we would be able to both speak and live the gospel in sincerity.

Please also pray that the Lord would make available the monies and the right property for a church site. Two sites are currently available that would be ideal for a church. Also, please pray for Becca and the little one on the way. The whole family has been sick lately, with Clarisse picking up the sickness and kindly sharing it with Mom and Dad ☺.

Thank you for praying for us and giving so generously to enable us to be here.

Love,

The Gilliams
