MARCH NEWS 2006

Dear Praying Friends,

"I have planted, Apollos watered; but God gave the increase." (I Corinthians 3:6)

Before we left for the States in November last year, the Lord brought Becca and me across the path of an elderly couple (76 years old and 72 years old) while we were eating at Hungry Jacks (America's Burger King). We had a good conversation with them and they said they might be at church the next Sunday. They came and have continued to come faithfully. I didn't think either of them knew Christ as Savior and the door to ask them always seemed to close, even though we were in each others homes regularly. After we returned from our trip to the States, the Lord gave me the opportunity to ask them about their relationship with Christ. They both said they were not Christians but wanted to be. After a short time of looking in the Scriptures, they were gloriously saved. *"I have planted, Apollos watered; but God gave the increase."* (I Corinthians 3:6)

We have been going almost non-stop since we have been back. Religious Education classes are going well with some students really showing interest in spiritual things. Youth groups are growing and we are praying that the Lord continues to reach others for His glory. Please pray that we keep focused on the winning others to Christ and edifying those who already know Christ.

Cyclone season is upon us. We just had a major cyclone to land 3 hours north of us and another is off the coast and we are not sure where it will strike land, if at all. Please keep us in your prayers.

Lastly, thank you for faithfully giving and praying. We pray that the Lord will bless you.

Love,

The Gilliams
