JUNE NEWS 2006

Dear Praying Friends,

SCHOOL HOLY WAR ENDS (PRAISE THE LORD!)

Plans to widen religious education in state schools have been dumped after the Beattie Government bowed to pressure from conservative Christian groups.

The back flip followed growing concerns among Labor backbenchers that the Government would face electoral opposition from some Christian churches and right-wing community groups if a wider range of beliefs were permitted to be taught in schools. This is responding to... concerns raised by parents and church groups.

The above story was printed in a national newspaper this month. James tells us that "*the fervent prayer of a righteous man availeth much.*" Thank you for praying!!

We had the privilege of baptizing 4 people since we last wrote. Two of them were the couple in their 70's who trusted Christ right after we returned from the States. Please pray that these folks will continue to grow in the Lord.

The following month is filled with ministry and outreach opportunities in the public schools and youth groups. Please pray for safety and for souls to be saved during this outreach time.

Reese and Bryce have celebrated birthdays (4 & 1 respectively) and Becca and I celebrated our 8th anniversary since I last wrote. It's amazing how time flies and it seems to be picking up speed all the time. Let's redeem the time then!

Love,

The Gilliams
