Dear Praying Friends,

"Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting thou art God." (Psalm 90:2) I am asked a lot of questions during my religious education classes. I think the questions I receive most often are: "Where did God come from?" and "Who created God?" Whenever I am asked those questions I tell the children that the answer is found in Psalm 90:2. God has always existed, and He always will exist and will always be God. This truth is wonderful when we consider how often our world changes, but God does not. We can count on Him.

Youth groups and religious education classes will have a two-week break now because of school holidays. We have seen the Lord begin to work in the hearts of several children who attend youth groups. One little girl, Storm (no kidding), trusted Christ as Saviour recently. Another young man, Michael, knows he is unsaved and understands he needs to trust Christ as Saviour. Please pray for these and others who need to either trust Christ or continue to grow in their relationship with Christ.

I have had the opportunity to be involved in a softball league over the past three months. Ninety-five percent or more of the people I am playing with are unsaved, including my entire team. The rules of the game require no swearing and for the players to act somewhat right. They all know I am a Christian. I am slowly building relationships with the players, especially my teammates. Please pray for Vernon. He is a young man on my team who has spoken to me twice about getting his life turned around. Please pray that I will have opportunity to witness to the others as well.

Thank you for your prayers and financial support. We are grateful for your co-laboring in this ministry with us.

In Christ,
The Gilliams
