Dear Praying Friends,

### **It's Just Not Right!**

*"For God is not unrighteous to forget your work and labour of love, which ye have showed toward his name, in that ye have ministered to the saints and do minister." (Hebrews 6:10)*

The Lord thought it very important to let the Hebrew believers know they were doing a good job, and would be rewarded for it. To not recognize their efforts would be unrighteous, or just not right.

I believe it just would not be right to fail to say **thank you** for all your help and support with our ministries here in Australia. Your reward too is waiting for you in heaven. Until then, may I say thank you for your faithfulness. I look forward to serving the Lord with you this year.

This year started slowly, but has begun to gain momentum quickly. December and January are summer vacation months from school. Lots of people go on holidays. Since some of the ministries slow down during this time, it is a good time to get caught up on things I do not have time to do during the year. We have also just finished our Holiday Bible Club (Vacation Bible School in the States.) We had three first time visitors and several unsaved kids to come. No one made a profession of faith, but the Word has been planted in young hearts. Please pray that the Lord will keep the door open with the different children and families.

Please pray for Religious education classes as they begin soon. We need more teachers to help with this outreach.

Finally, we are expecting again!!!!!!! The baby is due around the middle of August. Please pray for Becca. She is sick a lot with the pregnancy.

Again, thank you for your prayers.

Sincerely,  
Kelly Gilliam
