### SEPTEMBER NEWS 2007

Dear Praying Friends,

Over the last few weeks I have begun to understand a little more clearly how Peter could describe God as the "God of all grace" (I Peter 5:10). The Lord has been so gracious to us over the past few weeks. He has allowed Emmalyn Alysse to have a safe birth on August 8th and looked after her during her pacemaker operation a few days later. The Lord has provided strength for us to balance looking after the kids and caring for Emmalyn. He has brought us back to Townsville and has slowly helped us get back into a routine.

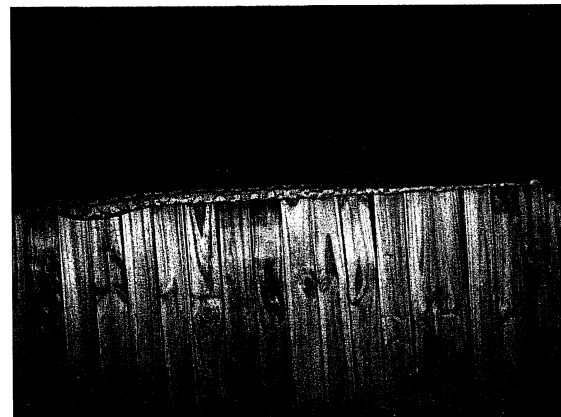

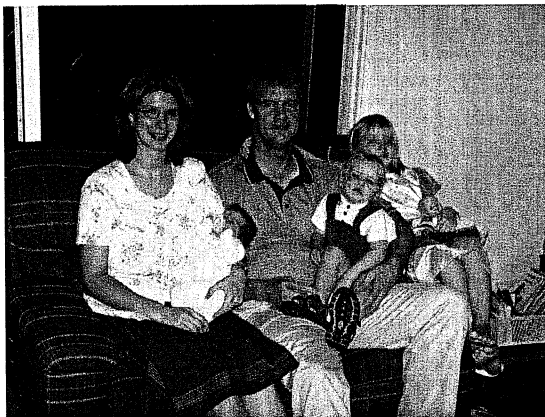

Thank you for praying for us and the church in Townsville while we were away. The church went forward for Christ in our absence, and they were delighted (I think ☺) to have us back. We do go back down to Brisbane for more serious heart surgery for Emmalyn around the beginning of November.

As for our other kids, Clarisse and Bryce are both doing well. They handled the strange environment quite well and were glad get home. While we were in Brisbane though, Bryce had a bad cold and introduced a new use for a tortilla. He used one to blow his nose! Needless to say we didn't eat that one.

Thank you for your prayers and financial support. Please pray for our youth groups as numbers have been down as of late. Please pray for my wife as she is up a lot feeding the baby and doing other things.

Below are a picture of our family and a picture of a snake (not a member of our family!) The Python was on a fence between us and our neighbors' houses trying to get its next meal, a possum. (Not a spelling error, but a different animal.) I will let you know what happened to the python and possum in our next prayer letter.

Love,  
Kelly, Becca, Reese, Bryce and Emmalyn
