June News 2009

Dear Praying Friends,

For that ye ought to say, If the Lord will, we shall live and do this or that. (James 4:15) In our last prayer letter we mentioned that the doctors knew what surgery they would most likely do on Emmalyn and also mentioned that it would be at least six to eight months before the surgery. Well we did not know that the Lord had something different in mind. Within a few days of our sending the prayer letter, our little girl was having the serious surgery needed. Needless to say, it took us all by surprise. She came through the surgery well and most likely has a smaller, but still complicated heart surgery still to come in 2011 sometime. Thank you for your prayers for her, for our family and church during this time.

We have many ministry outreach opportunities coming up over the next few weeks. We have a week of After-School Bible Clubs at two public schools. One had an average attendance of nearly 45 children last year. We have Super Saturday, which is an outreach to teens. We also have two weeks of camps coming up as well. This is a very busy time and one filled with heaps of opportunities to get to know parents and the children at the public schools. Please pray that the Lord blesses these outreaches and uses them to bring others to Him.

Because of Emmalyn's probable surgery requirements in early 2011, we have moved our furlough dates up a year. We are planning to be in the States from the end of October 2009 to the end of January 2010. If you would like us to visit your church on this furlough, please contact me by email at knbinaustralia@yahoo.com. We look forward to seeing you in the next few months.

Thank you again for supporting our ministry through your prayers and financial giving. I pray the Lord makes our labors together very abundant.

With Our Love,

The Gilliams

"... the harvest truly is plenteous, but the labourers are few; Pray ye the Lord of the harvest, that he will send forth labourers into his harvest." —
