February 2014 News

Dear Friends and Family,

Did I mention it gets hot here? We arrived back in Australia on the 24th of January and just about melted in the heat and humidity! Although it has been hot and humid, we have thoroughly enjoyed getting back home and “getting stuck into” (Australian term for getting it done) the ministry of everyday life. It was great to get back home and to see the church folks again.

Soon after our arrival, a lady from our church passed away. She had a pretty rough background and her family are almost entirely unsaved. They actually came to church on 16th of February. They have been really appreciative of our help so far. The funeral is on the 21st of February. Please pray for the service and that many of her family eventually trust Christ as Saviour.

I'm getting ready to go teach my first Religious Education class (RE'S) for the year. I have started teaching RE's at Aitkenvale Primary School again. Becca begins teaching today at Oonoonba State School and I start there on Thursday. Please pray that we are able to present the gospel clearly and teach these young people about the Lord.

Youth groups have begun with good numbers (at least for our youth groups!). We have several new faces in the groups and most of the new ones are unsaved. Please pray for safety, salvation and growth for those who come along.

The current weather is making ministry a little bit difficult right now. It rained about seven inches over night last night and they are calling for more rain for the rest of the week. As you can imagine it is hard to travel. Please pray for safety!

Becca and the kids are adjusting well to being home. Reese had to get reading glasses. Both are starting sport this week (netball for Reese and rugby league for Bryce). Please pray for safety and opportunities to show and share Christ each week.

Thank you for helping through prayer and financial support of the ministries here. We are praying for you too.

Love,

Kelly, Becca, Reese and Bryce (with memories of Emmalyn)
