### July 2015 News

Dear Friends and Family,

*Redeeming the time, for the days are evil.* Paul's words in Ephesians are very helpful for ministry today. As the Lord allows doors to close, He also allows other doors to open. Although much work, prayer and advertisement was put into the "Fun Day" for kids and the "Friends and Family Sunday" in May, hardly any visitors came to either! I was very thankful for the way the church folk pitched in though.

In June we had Bible clubs and a teen outreach at our church. The Bible clubs went well with some children coming to Sunday school afterwards and others attending the Christian camp during school holidays. The teen outreach also had visitors and much interest from people going by in their cars. Along with our church folk, students from BJU helped in ministry. My nephew, Jonathon Gilliam, who is studying to go into ministry, also helped with these activities. All were so helpful!

Looking ahead, please pray for the junior and senior camps being held during the two weeks of school holidays in July and for our "Christmas in July" outreach later in July. Please also keep praying for the Religious Education classes outreach. Please pray for our letterboxing ministry as well.

Thank you for being an important part of this ministry. You may not be here physically, but the value of your time before the throne of grace on our behalf and your gracious giving will only be fully known in eternity!

Love,

Kelly, Becca, Clarisse and Bryce
