Dear Friends and Family,

Parents want religious education banned

This billboard advertisement was recently placed in Sydney. It was put up by a group who want religious education classes removed from all public schools. There has always been a small, but constant undercurrent of disapproval of religious education classes, but it seems that opposition is growing. We plead with you to join with us in prayer that the Lord would defeat any opposition to religious education classes in the public schools here.

We are very thankful for the opportunities to teach religious education classes in two of the public schools here. The lessons taught in the fifteen or so classes that we teach is the only Bible teaching most of these children get all week! Praise the Lord that two children who attend religious education classes and who came to Bible clubs are now attending Sunday school and youth group. Their mum says the young boy may be a pastor one day. Please pray that mum and the other siblings begin coming to church too.

The bread ministry continues to be a good opportunity to meet new people in our local community. There are not many Tuesday nights that we do not have new families and individuals show up to take advantage of free bread. Please pray for opportunities to share the Bread of Life with these families.

Please pray for Kelly's mum as she has had some recent health setbacks. She is doing better, but your prayers are very appreciated.

Thank you for being part of this ministry. We could not do it without you. Thank you for giving financially to help the work here. Thank you for giving of your time to pray for us.

Love,

Kelly, Becca, Clarisse and Bryce
