### July 2016 News

Dear Friends and Family,

Winter (Summer in the US) is one of our busiest ministry times of the year. The Bob Jones University team visits then and helps with various ministries in which our church is involved. It is also when we have our Super Saturday activity for the teens and Bible club outreaches at two of the public schools at which we regularly teach Religious Education classes. It is also time in which primary and senior camps are held during the two weeks of school holidays. Each of these ministries went very well this year. One child who had attended Bible club decided to go to camp and trusted Christ as his Saviour. Please pray for this and other follow up opportunities.

Recently, a survey was sent out by the Queensland State government to the public regarding religious education in the public schools. One option mentioned in the survey was that religious education (RE's) classes be used to introduce all religions to the students. Currently, we only teach about Christianity. Please pray that this attack on RE's will be dismissed speedily.

Becca's parents and sister are visiting us soon. Please pray for their safety in travel.

Thank you for praying for us and for giving to support the ministry here.

With our love and prayers,

Kelly, Becca, Clarisse and Bryce
