### July 2017 News

Dear Friends and Family,

We do not often mention numbers of people who were saved recently in our church and through its activities, but I will mention three so that you can rejoice with us and pray for their continued growth. Laura trusted Christ as her Savior during the Bible clubs we held at two local public schools. Laura had listened carefully all week and trusted Christ as her Savior on the Thursday of Bible club week. The second person was Joel, a thirty-four year old man who has struggled with drug addictions for over twenty years. He trusted Christ as Savior and has been faithful to church since he was saved. The third young man is also named Joel. He and his mother have been attending our church for about a year now. He trusted Christ at junior camp. Praise the Lord for these and again please pray for their spiritual growth. The pictures are of the girls during game time and Bryce during free time. Bryce is on a flying fox and is relatively high in the air, although the photo really does not show that.

Please pray for the young people as they go back to school. Some made commitments to Christ during camp regarding their testimony around their friends at school. Please pray for our Christmas in July evangelistic activity at the end of July. Please also pray for us as we start to organize our furlough schedule for our time in the States from October 2018 through mid-January 2019.

Thank you for praying for us and for giving so graciously and faithfully to the ministry here.

With our love and prayers,

Kelly, Becca, Clarisse and Bryce
