### April 2018 News

Dear Friends and Family,

“I will cause the shower to come down in his season; there shall be showers of blessing” (Ezekiel 34:26b). Much needed rain has fallen in Townsville! Our dam, which supplies the city with drinking water and water for everything else, was only 15 percent full before the rains started. Very strict water restrictions were in place. After the rains had finished, the dam was over 90 percent full. The city is still on water restrictions but the restrictions are not as stringent as they had been and are mostly still in effect as a precaution because of the experience of little to no rain over the last three or four years. Praise the Lord for the blessings so often taken for granted!

In our last prayer letter, we had asked for prayer for a young aboriginal family who had been attending church for a few weeks. Sadly, they have not been to church nor to get bread for the last month. Please pray that we are able to re-establish communication with them. For our Easter Sunday morning service, we had six visitors to attend. We also had several people ask about a Good Friday service. Good Friday in Australia is considered by many as the main holyday of the Easter weekend. Shops are closed on Good Friday that are open on Easter Sunday. Please pray that the Lord will guide us in our plans for services next year.

We are still scheduling furlough visits to churches. I plan to be in the States from October 16<sup>th</sup>, 2018 to January 14<sup>th</sup>, 2019 with Becca and the children joining me after they finish school early around November 20<sup>th</sup>. If you would like to have us in your church or do not wish to have me contact you about coming to your church please email me at [kellyandbecca98@yahoo.com](mailto:kellyandbecca98@yahoo.com).

With our love and prayers,

Kelly, Becca, Clarisse and Bryce
