June 2019 News

Dear Friends and Family,

Thank you so much for praying for us. This is a very busy time of the year for evangelistic ministry. In June, we have done one Bible club after school at a local primary school (pictures included) and are currently conducting another Bible club at a different primary school in town. Many of the children who come along are unsaved and do not attend church. Please pray that we will be able to reach them with the gospel. Religious instruction (RI's) classes are well under way in two of the three schools in which we teach RI's. Please pray for us as we begin RI's in the last school at the beginning of third term. Please also pray for our primary and high school Christina camps coming up during the two weeks of winter school holidays. Praise the Lord too for several visitors who have been attending our services lately. Pray for the kids as they finish up this school term as both have been sick a lot.

Thank you for praying for the lady with brain cancer who comes to the Tuesday night bread ministry. She had surgery whereby they removed a portion of the cancer. Right now, it is just wait and see as chemotherapy is not a viable option for treatment of this type of cancer. Thank you also for praying for the aboriginal lady who has been coming to church. Her husband is in prison and she is in Townsville waiting for him to be released on parole. Please pray that we will be able to have an effective witness with her and her family.

Finally, as of the last day of June, it will be ten years since our youngest daughter passed away at the age of 22 months. We rest in the Lord's wisdom and grace, look forward to seeing her again one day, but also miss her. Please pray for our family as these dates come and go.

With our love and prayers,

Kelly, Becca, Clarisse, & Bryce Gilliam (with memories of Emmalyn)
