Dear Friends and Family,

April 2020 News

Needless to say, this is a trying time globally. After the virus began to spread rapidly globally, we were able to have services on one Sunday before we were told that we could no longer meet until the virus was under control. Between services, we had to disinfect seats to help ensure people were being protected as much as possible. Our prayer letter this month will be pictures and prayer requests. Please email us if you would like more information.

Only five people were allowed to attend this wedding.

Thank you for your prayers, concern, and financial support.

"... the harvest truly is plenteous, but the labourers are few; Pray ye the Lord of the harvest, that he will send forth labourers into his harvest " —

Please pray for:

- *The salvation of an unsaved woman who is doing a Bible study with one of our church ladies.
- *Personal safety and for opportunities to minister to both Christians and unbelievers during this crisis.
- *The bread ministry to be an effective outreach during this financially trying time.
- *For churches to stay strong during and after this disturbing time.
- *Alex and Keira to serve and glorify God in their marriage.
