August 2020 News

Dear Friends and Family,

Due to Covid 19, ministry has changed but the fact that people need the Lord has not changed. For the first time in 18 years of ministry in Townsville, we were not able to do the week-long Bible clubs at the two primary schools where we teach religious instruction classes. The Bible clubs often serve as a means to get new visitors to church and to youth groups. We also were not able to do our annual Christmas-in-July activity to which church folks usually invite their unsaved friends and family. Ministry has changed, but it has not stopped. Becca and I have done a Bible study with a lady who is a new Christian. I have begun a Bible study with four men in the community. We meet Wednesdays at 9 am to go through a Bible study program. The four-week Bible study introduces people to the gospel in a very clear way. A second follow-up Bible study is designed to introduce new believers to the basics of Christianity. Please pray for this woman and four men that those doing the Bible studies who are not saved will get saved and that those who are Christians will grow in their relationship with the Lord. Two families whom we have not seen for years have come back to church over the last few weeks. Please pray that we are able to minister to them and encourage them to follow the Lord. Please pray for my mother as she is not well, for Becca as she recovers from having her wisdom teeth pulled and for Clarisse as she finishes her senior year in high school.

We also were able to conduct a marriage ceremony of a young couple in our church. Three years ago, I had the privilege to lead Ryan to the Lord and to baptize him a year later. Please pray for Mr. & Mrs. Ryan Brown as they begin their new life together.

Mr. & Mrs Ryan Brown

Thank you for your prayers and financial support
Love,
Kelly, Becca, Clarisse & Bryce Gilliam
