December 2020 News

Dear Friends and Family,

“Glory to God in the highest, and on earth peace, good will toward men” (Luke 2:14). Luke recorded God’s promise of peace on earth because of the birth of God’s Son. This has been a very difficult year for everyone, but Christians can have peace within knowing that God is in control just as He was at the birth of Christ.

Amazingly, we are back to more normal services at church now. We have to observe social distancing and some ministries are still limited, but it’s nice to worship together in one service.

The month of November was a memorable month for us (for good reasons!). We were able to baptize two men and two women (most had been saved in the last year). Our daughter also graduated from high school. Please pray for Clarisse as she seeks the Lord’s will about her future plans.

We baptized four people in November.

The Wednesday morning Bible studies have come to an end for the year. One man attending slowly showed less and less interest in attending. Please pray for us as we follow up with each of these men.

Thank you for praying for our state elections in November. When religious instruction classes (RI’s) are taught (whether during lunch or during class time) is determined by the government in power. Praise the Lord, before the election, both main political parties committed to keeping RI’s in schools as they are now (during class time). We hope you have a wonderful Christmas and a safe and happy New Year.

Love,

Kelly, Becca, Clarisse & Bryce Gilliam
