April 2021 News

Dear Friends and Family,

Easter Sunday is usually a time for people to go to church even if they do not go to church any other time of year. Amazingly, I can say we did not have one “new” visitor on Easter Sunday. The scarcity of visitors may have occurred because of the government regulations requiring facemasks for church services that was enacted because of a small spike in Covid cases in Queensland. The regulation was for two weeks and should finish by mid-April. Wearing a mask, much less wearing a mask to church, is difficult for some people and some people have chosen to stay at home, from most everything, until the facemask requirement is lifted.

However, we have had several new people to begin coming to church. Some declare that they have come to our church because we preach from the Bible. I’m sure we’re not the only church in Townsville who uses the Bible, but it is a sad commentary on churches when people are struggling to find a church that preaches God’s word.

Religious instruction classes will begin in full-force when school resumes after the Easter school holidays. Kelly will be teaching between six and seven classes and Becca will be teaching four classes. Please pray for limited distractions during class time and for a clear presentation of the gospel to be given to the students.

Praises:

- For new visitors to church services
- For increased attendance to Sunday evening services
- For Reese’s acceptance into her university studies

Prayer requests:

- For unsaved people attending our services
- For wisdom in beginning new ministries
- For the mothers/daughters afternoon tea in May

Thank you for praying for us and for giving so graciously to the ministry here. We are praying for your safety and ministries as well.

Love,

Kelly, Becca, Clarisse & Bryce Gilliam
