March 2026 News

Dear Friends and Family,

I cannot think of many better ways to celebrate our being in Australia for 25 years than with a baptism service! As of the 15th of February, Becca and I have been in Australia that long. On that day, we were able to baptize three people. Each of those baptized gave a solid testimony of salvation. It was a great afternoon. As Becca and I look back over the 25 years we have been in Australia, we've had our ups and downs, but the Lord has always been faithful. We know too that he will continue to be faithful.

Three people were baptized in February

Youth groups have begun, and religious instruction class times have been organised and will begin mid-March. Becca and I have a good testimony at the local state schools where we teach religious instruction classes, in part because of our longevity of teaching at these schools. Please pray with us that the children and teachers listen well and that few distractions occur during our religious instruction classes. The great majority (85 to 90%) of the children who attend the religious instruction classes, do not attend church and many never have. These lessons are an opportunity to reach these children with the gospel before they are hardened by sin and life's experiences. Please pray for two new families who have been faithfully attending morning services. Please also pray for our early morning service that we will have on Easter morning. Easter is a time when people will go to church, even if they do not go any other time of the year. It's a great time to share the good news of a resurrected Savior! Thank you for your prayers, friendship and gracious giving over the years we have been here. We desire to win the lost to Christ, to edify believers and to glorify God in our lives and ministry. Thank you for partnering with us as we serve Him.

Love,
Kelly and Becca Gilliam
