

Dec. '18 – Jan. '19

Dear Pastor & Church Family,

I would like to start by saying thank you to all our supporting churches who sent us a Christmas love gift. I assure you that it was most appreciated and was a great blessing. The Lord has been so good to us in these past two months allowing us to be in six scheduled meetings as well as three drop-in meetings. We stand amazed at how the Lord has been providing through His people. With that being said, we want to praise Him for being able to announce that during these past two months the Lord has seen fit to add to us two more supporting churches which brings our total support level, as of right now, up to 3.5%. We still have a long way to go, but the Lord is faithful to provide. We also praise the Lord for meeting our need by providing for two new tires to go on our deputation vehicle. We have also been able to make several new contacts during this time which have led to a few additional meetings being scheduled to take place during the months of Feb., March, & Sept. of this year. We have a few months soon coming that do not have any meetings currently scheduled, so we appreciate your prayers as we seek to fill those dates and to make fruitful drop-in visits. Thank you all for your support as we seek to do the will of God in see souls saved for His glory in northwest Montana.

In Christ,

Bro. Wesley Grant
