## Missionaries to Northwest Montana

August 2019 – September 2019

Dear Supporting Church & Praying Friends,

We would like to start by simply saying thank you to everyone that has been praying for us, as well as to the churches and individuals who have been faithfully supporting us financially. The months of August and September have been full of the grace of God shown through His people. We have had churches and individuals to step in and give us help when we had things that came our way that we could do nothing within ourselves to fix. God is so good to provide for the needs as they arise, and in doing so He has strengthened our faith for the continued journey ahead.

Over the past two months we have been in meetings in South Carolina, North Carolina, Georgia, Ohio, and West Virginia. We have been blessed to travel approximately 6,500 miles and to share the ministry of our calling with 11 churches. We were also

blessed to have 4 new supporting churches added unto us to take our total level of support at this time to 10%. The Lord also allowed us to make great new friends during this time at the churches we were able to visit.

We also praise the Lord for being able to celebrate 1 year as missionaries with World Wide New Testament Baptist Missions (WWNTBM) on Sept. 29. God has been supplying our needs, and showing up in ways that can only be attributed to Him. We look forward to seeing what God is going to do in our lives and regarding the ministry in the coming years. We have story after story that we could tell about how God has come through time and time again, but space would fail me to be able to tell of all these times. What I can say however is that God is sufficient to overcome any obstacle that stands in your way, so keep pressing on in His name.

In Christ,  
Wesley & Kayla Grant
