Missionaries to Northwest Montana

December '19 – January '20

Dear Supporting Church & Praying Friends,

For starters we would like to say thank you for your prayers as well as for your monthly financial support. Also, thank you everyone that sent us a little extra in way of a Christmas gift. Those gifts have been such a blessing, and have helped meet our needs as we have been preparing for our upcoming survey trip. We have seen the Lord work in great ways to open up doors for scheduling for while we will be on the survey trip, as well as for the upcoming months also. We appreciate your prayers for us as we will be driving the entirety of the survey trip. We are scheduled to be arriving in NW Montana on Feb. 11, and we will be remaining in western Montana until March 2.

Over the last two months we have been blessed to be in meetings in South Carolina, Pennsylvania, and New Hampshire. The Lord granted us safety during our

travels. Also, the Lord granted our prayers and we did not have any mechanical troubles during any of these trips. The Lord gave us great meetings with wonderful churches. We were also granted opportunities to meet with some pastors who may be able to have us come in for a service later on. We also were able to spend some wonderful time with family over the Christmas holiday. We are learning to cherish these moments even more as the reality of not being around as much in a couple of years is starting to really sink in.

We are excited to see what the future holds, and we cannot wait to see how the Lord is going to continue opening doors of opportunity. Thank you for partnering with us in prayer and in financial support as we strive to obtain "fruit that may abound to your account." (Philippians 4:17b)

In Christ,

Wesley & Kayla Grant
