Dear Faithful Supporters & Praying Friends,

To start off we must say, with the greatest of sincerity, how grateful we are for the many generous love gifts that we have been given to help us get through this trying time in our nation. We have seen God's hand at work in providing for our every need. Thank you for your faithfulness to give as well as for your faithfulness to pray.

During the last couple of months there has been a change at our sending church. Our Pastor, David Ellenburg, retired after 19+ years of faithful service as pastor of Morning Star Ind. Baptist Church. The church then voted unanimously on Bro. Leslie Bourdess to become our new pastor. Pastor Bourdess and his family served for several years as missionaries with World Wide New Testament Baptist Missions planting a church in Cordova, AK. They also have been members of our sending church for many years, and it too was their sending church while they served as missionaries. Please help us to pray for them as they continue to acclimate to their new roles as pastor and pastor's family.

Over the last couple of months, we have had several meetings to cancel due to COVID-19. Some of these meetings

have already rescheduled for later in the year, and some of them had us by way of video only during this time. We look forward to rescheduling the rest of these meetings as the Lord gives us liberty to do so. Also, we look forward to making it around to the churches that showed our video so that we can meet and fellowship with those congregations as well. During this time, we have still been able to have a couple of in person meetings in South Carolina and Oklahoma.

Also, before we left to go to Montana on this latest survey trip in February, I had put in my notice at the hospital. Because of everything that has been going on with Coronavirus the hospital contacted me a couple of weeks ago and offered me the ability to come back and take hours as my schedule would allow. I say this to help further illustrate the goodness of the Lord in making provision for us during this time. God has truly been so good to us!

In Christ,

Wesley & Kayla Grant
