Missionaries to Northwest Montana
Flathead & Blackfoot Reservations

June 2020 – July 2020

Dear Faithful Supporters & Praying Friends,

Let me begin by just saying thank you to each and every one of you that has prayed for us during this trying time in our nation. The Lord has been abundantly supplying for our needs. Thank you also to the ones who gave such generous love gifts during this time. The Lord has been using this time to continue building our faith in Him and in what He is able to do in spite of such turmoil.

There has been so much to happen in the last couple of months despite the hinderance of COVID on our schedule. The Lord has granted us several great meetings as both scheduled and drop-in services. We have also had churches to take us on for monthly support during this time. At the end of July, the Lord brought us to 33.5% of our total needed goal. We certainly praise the Lord for this increase in support and thank each of the churches that decided to partner

with us in fulfilling the Great Commission on the Reservations of NW Montana. We pray that, if it is the Lords will, we will be able to make it to Montana by early 2022. Please pray that the Lords will be done in this matter. At this time, we have 4 churches that are actively considering us for monthly support.

In the next two months we are scheduled to be in churches located in North Carolina, South Carolina, Florida, and Ohio. Please help us by pray that these meetings will be able to remain on our schedule, and that if it's the Lords will we will be able to add additional meetings to our schedule as well. Thank you for your time in reading this update and also for your continued prayers on our behalf.

In Christ,

Wesley & Kayla Grant
