Dear Faithful Supporters & Praying Friends,

We just celebrated 2 years with WWNTBM on September 29. Some of you have been faithfully supporting us for nearly the whole 2 years, and we are very thankful for your faithfulness and continued support. Others have come along a bit later, but just know that without each and every one of you we would not be able to do what we do for the cause of Christ.

The Lord has been so good to us over the past three months. He has allowed us, in spite of the continued restrictions of COVID-19 in many areas, to have meetings in South Carolina, North Carolina, Florida, Ohio, & West Virginia. The Lord has also allowed several new churches to partner with us over the past three months, and this has brought our new support level to 42%. We plan to, Lord willing, be moving to Montana no later than early 2022. We still have much support to gain, but God's hands are not tied in the matter.

Please be in prayer that we will be able to see many meetings add to our schedule for 2021 as we still have many openings for the year. God has been so good to us in spite of all the turmoil in our nation. Thank you again for your continued prayers!

*In Christ,
Wesley & Kayla
