Dear Faithful Supporters & Praying Friends,

There is a lot that has taken place in the past 3 months. First of all, we now have a website, [www.gospel4montana.com](http://www.gospel4montana.com). Also, we praise the Lord for allowing us to have meetings in Texas and South Carolina. We are excited to announce that we are now at 45% of our total support goal since a few more churches have voted to take us on for monthly support. We also are excited to announce that our house has just gone on the market in late January. We have had some interest in our house, but no offers at the time of this writing. The selling of our house is in preparation for our move to Montana at or near the end of the first quarter of 2022. We have been approved for an apartment in Easley, SC that we will be moving into upon the sale of our house. We are also excited to have had some more meetings to add to our schedule for the remainder 2021. We still have a lot of open dates, so we would appreciate your prayers for us as we seek to fill those with meetings. The Lord has also blessed us with the ability to have a few great and very productive drop-in meetings. Also, we are rejoicing that we were able to spend time with our families during the Thanksgiving and Christmas seasons. God has been so good to us, but there is still much more to be done. Please be in prayer that the Lords will be done in our lives and in our ministry going forward.

*In Christ,  
Wesley & Kayla
