## **February – April 2021**

Dear Faithful Supporters & Praying Friends,

Thank you all for your many prayers over the past few months! We have certainly felt the presence of prayer on our behalf. We are excited to finally have a mostly full schedule for the first time since COVID has began. God has been so good to us in opening doors for ministry opportunities! We have had, over the past few months, meetings in South Carolina, Georgia, North Carolina, Tennessee, and Pennsylvania. We have several churches currently considering us for support, so please be in prayer that the Lord opens up the doors for additional supporters to add. We have heard back from a few churches that have just recently voted to partner with us, and that takes us to 47% of our support goal at this time.

We have a trip scheduled to go to Montana this summer, and that will be our third survey trip. We are scheduled to arrive in Montana on July 21 and to leave Montana on August 12. Please be in prayer for us as we continue to prepare for this upcoming trip to Montana.

**SOLD!!!** Thank you for your prayers for the sale of our house! We were finally able to close on April 15 after signing 5 extensions. We moved into our apartment on March 12, and the Lord has been taking care of everything along the way. Also, please be in prayer for us as we deal with having our vehicle repaired. The transmission went out on April 9, and it is still in the shop. This issue is covered under warrenty. Please be in prayer that we have wisdom in dealing with this situation going forward. God has been good! We praise him for the victories we have had, and we place the issues in His capable hands.

*In Christ,
