NW Montana**

August 2022 – October 2022

Dear Faithful Supporters & Praying Friends,

Thank you all for your faithfulness to send support and to lift us up in your prayers. We have continued to see the Lord do some wonderful things here in Montana regarding the church plant. We have seen lives being impacted and individuals becoming increasingly hungry for the Word of God. The church plant is currently running approximately 12-15 individuals regularly, and each of these individuals have a personal testimony of salvation. Each of these individuals have a diverse church background where they use to go to several other denominations, and many had been out of church for several years. With this comes confusion and little growth within the believer. With that being said, we have been able to take time and simply teach basic Biblical principles and Baptist distinctives. In order to do this, we took several weeks and simply taught on the churches Statement of Faith. We saw quite a bit of growth in knowledge and understanding during this time, and the Lord truly blessed these studies.

We were blessed to be able to visit one of our supporting churches in Florida during the month of August for their second annual Faith Promise Missions Conference. This was a wonderful time of fellowship, but was also whirlwind of a trip. Additionally, we were able to visit a few of the churches in Washington state during the month of October, and the Lord blessed these meetings as well. Please keep us in your prayers in the coming weeks as we will be making a visit home to see family for Christmas. We also will be making visits to a hand full of our supporting churches in the Upstate of South Carolina while on this trip. At this point in time, these are the last trips on our schedule.

During the past few months we have been able to distribute a couple thousand church door hangers that double as both a gospel tract and church invitation. We were able to have several good visits while distributing these. At this time, we have not seen any individuals accept the Lord in salvation, but the seed has been sown and it is up to the Lord to give the increase. We have, however, had a few new visitors to the church as a result of such outreach. Again, thank you all for your faithful support, both financially and prayerfully.

*In Christ,
Wesley & Kayla Grant*
