November 2021 – January 2022

Dear Faithful Supporters & Praying Friends,

The past couple of months have been a whirlwind of events and emotion. We were able to move into our new apartment in Montana on Friday, December 31, 2021. Our new address is as follows:

1690 Milwaukee Way Apt. 210
Missoula, MT 59801

Since moving to Montana, we have been blessed to help get a nursing home ministry started in the town of Ronan. We praise the Lord for this opportunity and we have already been able to see an impact in some of the residents lives. We were able to help pass out numerous copies of a high quality King James Bible, as well as gospel tracks to as many residents and staff as would take them. We hold services there on Sundays at 3:30pm Mountain Time, which is 5:30 Eastern. We met a lady named Vicki that has had her whole life turned upside down over the past year, but were able to be an encouragement to her in her time of difficulty. She still has much that she is dealing with, so please help us pray for her. Also, we certainly could use much prayer as we endeavor to share the gospel there and help people through such situations.

We have also been in talks with the owners of a building in Ronan, but have not yet reached a conclusion on rental price. It is a building that had operated as a movie theater in town for many years, but has been vacant for a few years now. Help us to pray, that if it be Gods will, we will be able to get that building and start the church soon. The Lord knows the need.

I started working for a local hospital on January 3, 2022, and this also have afforded me some unique opportunities to share the gospel. Kayla has just recently started working for a local daycare, and has been able to share her faith with her coworkers. Please pray that we can see people in these places come to know the Lord as their savior also.

Thank you for your continued prayers, as well as for the faithful financial support that is sent. There is no way that we could do this ministry alone, but by the help and prayers of local church bodies, we can see the fruits of ministry abound.

*In Christ,
Wesley & Kayla Grant*
