

**“Come see the place where the Lord lay”. Mathew 28:6.**

**March 2008**

**Dear praying friends,**

**Greetings in the name of our risen Lord Jesus Christ from the island of Mauritius.**

**The angelic announcement is truly a word of tremendous significance. As we read Matthew’s record, it blesses our hearts to note that the dear Lord is faithful to His word (... as He said. Mt 28:6). His word can be trusted. Then the angel acknowledges the fact that the empty tomb was indeed the place where the LORD LAY. All the man made theories, inspired by Satan and Hell against the historical fact that Christ died, was buried and rose again, is just not true. Then, lastly, it is noting worthy that the angel called Him “Lord”. Dear praying friends, as we reflect on the glorious truth of the resurrection may God, Our Father give us faith to believe that the power of our Lord can still transform lives of unregenerate men.**

**We keep very busy with the care of the churches. Both churches where we are currently ministering are doing fine. Of course, we have battles; but is it not what it is all about? Pray for one of my preacher boys, Josian Surju. He was inducted as pastor of the Goodlands Baptist Church. He is married to Doris, one of Marilyne’s younger sisters. They are such a gracious couple with seven children. Goodlands is one of the hot spots on the island. God has called them there and God will keep them safe and cause them to further His kingdom.**

**Our family is doing fine. Both Marilyne and I are doing alright. We have some health concerns, but we believe that is because our youthful days are gone. Tim is planning a December wedding, the Lord willing. Lionel has a heart for ministry. He has been working as an accountant in the capital; but he has the conviction that the Lord has other things for him. Pascal and his girlfriend Becky are planning to be with us in December. Becky is the daughter of Paul and Glenda Stetson who are presently working as missionaries in France. Hilary, our daughter, has already submitted her application to Bob Jones University. Please pray that the lord will provide the finances for her studies. We trust the Lord will put it on the hearts of different people to sponsor her in her studies. PRAY.**

**Once again, we thank you for your faithfulness to the Lord in supporting us in the ministry that He has given us here in Mauritius. I do not know how long it will be before we get to see you again, who knows, the rapture may just be around the corner. Our greatest joy then will be to have been found faithful at the place of His calling – His high calling upon our lives. So, let us seek to be used of God daily.**
