

**“...God so nigh unto them...” Deuteronomy4:7**  
**March 2009.**

Dear Praying friends,

We greet you in the name of our wonderful Lord and Saviour Jesus Christ. The heading of this letter reminds us of the great privilege that is ours to have God as a Father who is nigh unto us. The privilege imposes on us a great responsibility. Should we not say with our divine Master: “ I delight to do thy will,” and not merely “ I consent to do thy will.” Let us all be found joyful in: Hearing and heeding the God who speaks; Fearing and yielding to the God who is Holy; Learning and following God who is all wise; and Worshipping and serving the God who alone is the one true God.

There has been and still will be some changes in our family. Tim and Daisy, who were married on December 27, 2008, are settling well in the state of matrimony. Hilary, our daughter, is at home in Bob Jones University. With the grades that she made while in Mauritius, she is already a sophomore. Pascal and Miss Rebecca Stetson will be married this coming June 13<sup>th</sup>. Lionel will be travelling with us for the occasion and, the Lord willing, we will see him off to Crown College in Tennessee. When we come back we will be coming to a terribly empty nest. Those of you who have travelled that road of the empty nest syndrome, will you please pray for us that God will take care of us.

We will be arriving in the States around the 27<sup>th</sup> of May. Right after the wedding, we will be with the World Wide New Testament Baptist Missions’ family for a week of family gathering, which has always been a time of renewal and refreshing. We will not get to see all of you; but if we are in your area we will make it a must to pay our respect to your pastor. Please pray for our time in the States, we need the Lord’s protection as we travel, His provision for us, and His wisdom to use our time wisely. If you need to contact us, you can always drop a note at the mission; they will know our whereabouts.

Our ministry here is going well. We have been undergoing some difficulties, which I think is normal to a growing ministry. What bothers us, though, is not the nature of the difficulty, but the source of it. Have you ever wonder why is it that those who are the cause of problems are those who call themselves “Christians?” Dear praying friends, weep with us over those who are heart breakers to us, and do rejoice with us in the privilege that we have a God who is nigh unto us.

We will close this letter in expressing our deep sense of appreciation to God our Father for your faithfulness to the Lord in your faithful financial and prayer support of our ministry. May the Lord bless you as you keep on looking unto Him for all things.

Your missionaries,

Guy and Marieline Grenade.
