

“The eyes of the Lord run . . . throughout the whole Earth . . .” II Chronicles 16:9

June 2010

Dear Praying Friends,

Greetings in the name of our Lord and Savior Jesus Christ, Whose eyes watch over all of us.

What a sanctifying thought! We must rely on the Lord and Him alone for salvation, sustenance and security. What a stirring thought! We must never lose heart in the Lord of the work, as we move on in the work of the Lord. What a sobering thought! We must ever be faithful ministers of the Word. Heaven is looking down on every effort that serves the cause of Christ and the glory of God the Father. Nothing must be viewed as small or trivial; God is looking and He desires to show Himself strong to those whose hearts are perfect towards Him. So, let us move forward in faith and courage, doing our part in making Christ known, be it on the mission field or at home.

Our family is doing well. Praise the Lord! Both Hilary (at BJU) and Lionel (at Crown College) are doing well in their consciousness of their service to the Lord back here in Mauritius. Pascal and Becky are in preparation to come to the place of their calling. Be praying for them as they seek the leadership of the Lord. Tim and Daisy, our only children in Mauritius, keep a good balance with a heavy load of work and ministry. They are all so precious to us. Marilyne has been having some problems with her eye. Back in 1984 she picked up an infection that blurred her left eye completely, but she recovered. Over the years up to now, this is the third time that she has had a resurgence of the virus. Do pray for her. She is under medication, so we felt that we had to postpone our mission trip to Madagascar. The Lord willing, we will take up the project next year and aim to visit the church in Kiamariga, Kenya, as well as our spiritual parents, David and Elwanda Fields. On our way back we will stop in Madagascar, which is our Samaria. Be praying for us in that matter.

God has blessed us with some very encouraging results in ministry. We have a new church plant in Riambel, in the south of the island. We had a baptism service and it was a joy to see people leave the darkness of dead religiosity to turn to the Light of the Gospel and the Living Christ. Up North in Goodlands, where Pastor Josian S. is ministering, we had several people saved during a three day meeting. The church in Highlands has a new pastor. I find myself very busy encouraging these pastors in the way of God's choosing for them. Be praying for me as I write a pastor's manual, stress doctrinal importance and carry on the pastoral care of the Victory Baptist Church.

Keep praying for the Francois and Caroline Serret family and their five children, as they are due to arrive around this time next year. They are looking to fellowship with us at least for a year before they move on to the place where the Lord would have them start a church.

Dear praying friends, we always want to express our appreciation for your faithfulness to the Lord in the faithful and generous support that you give us. “Brethren, Pray for us . . .” (I Thess5:25) This prayer is as vital to us as it was in Paul's day. We are glad that the Lord saw fit to put us in this partnership. May the Lord bless us as we remain faithful in our respective fields of service for His glory.

Your Missionaries,

Guy and Marilyne Grenade
