Dear Praying Friends,

Greetings in the precious matchless name of our Lord and Savior Jesus Christ.

We arrived in the States on April the first, and praise the Lord for the great meetings that He has blessed us with. We are truly thankful to the Lord for His people that He has placed on our way to be of assistance to us and the ministry in Mauritius. Your concern and love for us have touched us deeply.

It is in our hearts to renew and to visit all of the different churches that have been faithful to the Lord in your faithful support over the years. If we have not done so yet, the Lord willing we will touch base with all of you before the end of our stay in the States. Keep us in your prayers, that the Lord will give us traveling mercies on the roads and the wisdom to report to our supporting friends in a way that will be both a blessing and a challenge. We are so thankful to the Lord for the church families that we have already visited. You have been a blessing to us. We appreciate the Lord's doing and it is always marvelous in our eyes.

Praise be to the Lord! Lionel graduated from Crown College. Pray for him as he seeks to do an internship with the Clear Brook Baptist Church in Roanoke in Virginia and everything that such an endeavor comprises. Tim and Daisy are doing well. Keep Pascal and Becky in your prayers as they minister in Mauritius. Our grandchildren, Mateo and Liam are making progresses in their early development. We are sad that we cannot witness these joyful experiences. Remember to pray for Hilary, that she will find a job that will allow her to exercise her gifts in counseling.
