

I DELIGHT TO DO THY WILL.....PSALMS 40:8

April 2017

Dear praying friends,

Greeting in the name of our Lord and Savior from Mauritius.

Some are just resigned to the will of God, some urge themselves to conform to the will of God, and some take delight in choosing the will of God. Our Lord was the type who delighted to do God's will. The sacrifice and the suffering of the cross were subject of delight to our Lord. Delight in the will of God revealed that the suffering and the sacrifice of the cross was the place that God willed for our Lord Jesus. The resurrection lights up all the valleys of sacrifice and suffering with the brightest gleam of Glory. The purchase of the church is paid in full. She can now rightfully be called the glorious church. Perfect salvation is her eternal possession; perfect peace is her state of mind in this world; and perfect blessedness is her awaiting glory. Dear friends, let us not just be resigned to God's will, but as we strive to conform to God's will, may the resurrected and living Lord lead us in delighting to do God's will.

Ministry wise, we are keeping very busy with a church project (IMPACT 2017) that aims to make every member a minister. We praise God that while we are still on the first quarter, we have had several people saved and express the desire to be baptized. Let me encourage you in sharing the testimony of one in particular. We will call him Joseph. Joseph was a Hindu. He had expressed desire to know the Lord. Over the years, he has been attending different churches that made him go through all the outward rites of religion. The Lord led him to our church. He chose to work with us on the project IMPACT 2017. After the first two lessons about salvation and assurance, he was saved. As a Hindu he was named after a Hindu god. He had expressed the desire to go by the name of Joseph, which by interpretation means **Jehovah shall increase**. It is no wonder that he is already seeking the salvation of his wife and children.

WE PRAISE THE LORD:

**Praise the Lord for our 5 months old grandson, Ashlen** (3rd son of Pascal and Becky), who recently had surgery. We feared the worst for him, but the Lord took care of him, and now he is back home with his parents and siblings after 11 days in the clinic. He is on his way to recovery.

PRAYER REQUEST:

**We have several who are sick in the family.** As I write my wife, Marilynne, is down with fever, headache and gastro. Liam, our grandson, is also sick with fever, headache and a bad cough. This is the usual as we change seasons going into our tropical winter.

**Please pray for Lionel and Grace as they expect their first child this coming August. We know it is a girl!!** Marilynne will be travelling to the US in August to be with them at this time, and I am hoping to join her later in October and we will travel back together. I am hoping to visit some of you at this time, so please contact me concerning this.

We want to thank you again for your prayer and financial support to our work here in Mauritius. We are grateful to the Lord for each of you and your faithfulness in giving. We pray for you regularly!!

The Lord bless you and Happy Easter!!

Your missionaries,  
Guy and Marilynne Grenade
