

He... Will perform it until the day of Jesus Christ.
Ph. 1:6. September 2018.

Dear Praying friends,

We greet you in the name of our Lord and Savior Jesus Christ who has given us the promise that our work in Him is never in vain.

When my doctor told me that I have coronary disease that I will have to be on some kind of medication all my life, little did I realize how this is going to change my life. I continue to visit my cardiologist regularly and take my daily medications. Sometimes, I am so tired, not so much from my load of work, but as a reaction to these medication. With the weariness comes also the wisdom to wait on God- He who hath begun: will also accomplish the purpose of my calling to the ministry. For this I continue to covet your prayers and I am thankful to you.

It is an awesome blessing to see spiritual growth. We run two weekly Bible studies, it a blessed thing to see spiritual maturity changing people's lives- with love for God manifested in a growing trust; love for Christ manifested in active bible obedience; and love for the fellowmen manifested in acts of kindness, and concern for the lost.

Pray for Pascal and Gilbert the two elders in our church, they are such a blessing to me and such a help in the preaching and teaching ministry. Keep praying for Michel and Steve as they are being prepared for the ministry of the Word and Joseph, in his heart felt burden for his unsaved Hindu relatives. Remember to keep Jeffrey Surju in prayer as a ministerial student for Mauritius.

Our children are all fine, doing so well in their walk and service unto the Lord. Tim serves as an elder in his church and still has a full time job. Pray for Pascal who will be in the US for a month, for protection for him as he travels and for his family who will be staying behind. Pray for Lionel as he answers the call to be an assistant pastor, he will be moving to Texas at the end of this year. Hilary and Matthew are doing so well as parents to Levi and as teacher and Biblical counsellor in a local Christian school. Pray for all our 8 grandkids, they are such a great joy to us. We love having 7 of them almost next door to us and wish we could see Evangeline more often.

Keep the Serret Family in your prayers. Pastor Francois and his family are going to Australia, and I will have the added responsibility of replacing him again for one month. Pray for healing for him and a refreshing time for his family and strength and grace for me.

Dear praying friends, we cherish our partnership in the gospel ministry. We appreciate your faithful financial assistance. May the lord continue to bless you.

Your missionaries,

Guy and Marilyne Grenade.
