

We will remember the name of our Lord. Psalms 20:7
April 2020

Dear praying friends,

We greet you in the name of our ever living and ever loving Lord Jesus Christ. His ever living presence and his ever loving care is a combination of omnipotence and faithful watchfulness to us-ward -His children. In the face of this evil that is a threat to our peace, joy and life, May we say with all confidence that while others trust in horses and chariots, we will remember - TRUST- in the name of the Lord.

We will remember the name of the Lord in staying true to our calling in preaching the Gospel. Though we are confined to our house, the word of God is not confined. We have been blessed with opportunities that we have never thought of. While it is true that we miss the physical presence of the church, we are thankful that God is using these unusual time to bring us together in unusual ways to glorify His name in unusual praise and services.

We will remember the name of the Lord to pray. Every day at 23:00, we pray for you our faithful prayer partners. We pray that the Lord will keep you safe in this pandemic. Please continue to pray for us. Every morning, I send out to our church folks a message from the Bible, admonishing the fathers to be a shepherd to their respective families. These messages are meetings needs where we have never thought about. Pray for the life of the church after the covid 19. Pray for land for our building project. Pray for the Lord to keep us healthy. My heart is doing well; but this open heart surgery taxes the body. Sometimes, I feel so worn out, that I have often asked myself: "Lord is this it?" But as long as it is not it, we will continue to pray:

Let me lose my life and find it, Lord, in thee.

May all self be slain, my friends see only thee

Though it cost me grief or pain. I WILL FIND MY LIFE AGAIN.

We will remember the name of the Lord to care for our loved ones. Please keep praying for our family. We had such a yearning to be with them in this resurrection season. The only way we could do it was through a video conference. So thankful for their love for the Lord and their desire to be used of him. Pray for Lionel, Grace and our precious granddaughter, Evangeline, as the go through a difficult period of transition from life in Texas to North Carolina.

May the Lord continue to bless you as choose to remember the name of the Lord amidst this difficult time of a pandemic. Thank you for your faithful prayer and financial support.
