

... His name shall be called wonderful....Isaiah 9:6.  
December 2021.

Dear Praying friends,  
Every thing about NOEL is wonderful. O , what wonder! How Amazing! That the infinite God should become an infant; the Everlastingly Father raising the sons of man to an eternal sonship; the mighty God subjecting Himself to a life of no reputation in the likeness of man and humbled himself to death on the cross; How amazing that the prince of peace should come to die to reconcile enemies to himself and bring light to those who sits in darkness!  
Dear praying friends, Covid has changed a lot of things, it is my prayer that nothing will take away from the Wonder of Christmas- that sinful man have a Saviour and that Christians have a Shepherd to lead, to provide, and to protect. Wonderful !!!

Pray for the growth of the church. There is a lot of inconsistencies in the policies that come to us from above. The public bus transport is allowed to run with 60 some passengers on board; but the church is not permitted to meet but with a limited amount of 10 people. While we bless the Lord for the technologies that allow us to bring the word to people homes, we feel that the enemy of the Church has an evil intention.

Our concern is for our church children who have not had a normal school day routine. The fact that they are not meeting with their peers are causing them to build up pressure that they quite cannot handle at such an early age. Church used to cater to release these pressures from weekly youth meetings, camps, vacation Bible school and children's holiday club. The government restrictions due to the covid are not favoring the running of these programs successfully. We need wisdom and the prayers to find God honoring solutions.

Our family is fine. Neither Marilyne nor I have ever been tested positive with the covid, we praise the Lord for that. But, none of our Children have been spared and mostly every body in church either. Here also we have reason to praise the Lord that we have lost none of our members. The struggle have been hard, near death experiences, but they have all come out with praise and thanksgiving unto the Lord. We covet your prayers for continued safety. Be praying for Marilyne as she spend time with Lionel and Grace and our grandchildren in the states. I am personally experiencing the : "it is not good..." of Genesis 2:18. I am missing my helpmeet. Sometimes, it is worse than other times.

Keep praying for: 1. Jeff Surju, our ministerial student who is a senior at BJU. 2. Vincent and his wife Maggie from Kenya as they start ministry in Mauritius early next year. 3. James and Cindy Herringson as they wait for their work permit. 4. Steeve and Michel and their wives respectively, Laura and Cesna, as they start on course for ministerial preparation in January. Once again dear praying friends, we wish to express our appreciation your faithfulness to the Lord in your regular support and prayers. In this festive time, we wish you all a Joyful Christmas and a joyful year 2022 in the service of our Wonderful Lord Jesus Christ. May His song be in your heart.

“Wonderful, wonderful Jesus, in the heart He implanteth a song:  
a song of deliverance, of courage, of strength; in the heart  
He implanteth a song

Your missionaries,

Guy and Marilyne Grenade.
